

# COLOUR VISION

**Millions of Brits suffer impaired colour vision due to colour blindness, eye disease or as a result of other health conditions such as diabetes or Alzheimer's.**

Find out more about living with poor colour vision at [visionmatters.org.uk](https://www.visionmatters.org.uk)

National Eye Health Week is a public health campaign run by Eye Health UK (registered charity 1086146)

**NATIONAL EYE  
HEALTH WEEK**  
MONDAY 23 – SUNDAY 29 SEPTEMBER 2024  
**VISION MATTERS**
