

EYE CARE SERVICES

Many high street opticians now offer NHS appointments to treat minor or urgent eye conditions including red, sore or irritated eyes, eye pain, flashes, floaters and more...

Find out more about locally commissioned primary eye services at visionmatters.org.uk

National Eye Health Week is a public health campaign run by Eye Health UK (registered charity 1086146)

NATIONAL EYE HEALTH WEEK
MONDAY 23 – SUNDAY 29 SEPTEMBER 2024
